Inspiration Energy Arranges \$975,000 Financing

Not for distribution to United States newswire services or for release publication, distribution or dissemination directly, or indirectly, in whole or in part, in or into the United States.

Vancouver, British Columbia – April 25, 2025 – Inspiration Energy Corp. (“Inspiration” or the “Company”) (CSE: ISP) (WKN: A40GPX) is pleased to announce that it intends to complete a non-brokered private placement financing (the “Offering”) for aggregate gross proceeds of \$975,000 from the sale of up to 9,750,000 units of the Company at \$0.10 per unit (each, a “Unit”). Inspiration has obtained CSE price protection for the securities issued under the Offering.

Each Unit will comprise one common share (each, a “Unit Share”) and one transferable common share purchase warrant (each, a “Warrant”) of the Company. Each Warrant will entitle the subscriber to purchase one common share of the Company (each, a “Warrant Share”) for a 36-month period after the closing date of the Offering at an exercise price of \$0.16 per common share.

Charles Desjardins, President and CEO of the Company commented, “This placement will provide additional flexibility for the planned drill program at the Rottenstone North Gold Project, which is currently in development, and will support Inspiration’s strategic marketing initiatives. We anticipate closing the placement in early May.”

Closing of the Offering is subject to certain conditions, including, but not limited to, the receipt of all necessary regulatory and other approvals. Net proceeds of the Offering will be used to advance the Company's Rottenstone North Gold Project in Saskatchewan and for general working capital purposes.

Shares issued pursuant to the Offering will be subject to a four-month and one day hold period according to applicable securities laws of Canada.

None of the securities sold in connection with the private placement will be registered under the United States Securities Act of 1933, as amended, and no such securities may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
